

Part Time Instructors participate substantially at the University of Kentucky, but less than full-time, in the program of an educational unit. Appointees may be eligible for University contributions towards employee health benefits if their Full Time Equivalency (FTE) from all UK employment sources is equal to or greater than 75% (equivalency of averaging 30 hours per week).

Onboarding Checklist

Onboarding checklist are available for your use throughout the process:

[PTI Onboarding Checklist \(UK Staff\)](#)

[PTI Onboarding Checklist \(Not UK Staff\)](#)

Pro Tip: Canvas access is granted as soon as the assignment is entered in SAP. Therefore, it is **very important** to coordinate the PES/I-9 process in a timely manner to allow the PTI early Canvas access for course preparation purposes. To schedule an I-9 appointment click [here](#). To access IES Quick Reference Guides please click [here](#).

Position

You may utilize transaction PPOSE to locate a position number. Attributes should include:

Position Title = Instructor

Job Code = Part Time Instructor

Note: Using a different title/job code could create an error in the Faculty Database.

FTE

In order to maintain consistency at UK, for the purpose of PTIs, a standardized FTE will be used.

- For spring and fall semesters, the following should be used: the primary instructor of a **three (3) student credit hour class** corresponds to **25% FTE** or the equivalency of hours worked.
- For first summer Session/summer I (four week), the primary instructor of a **three (3) student credit hour class** corresponds to **100% FTE** or equivalency of hours worked.
- For second summer session/summer II (eight week) the primary instructor of a **three (3) student credit hour class** corresponds to **50% FTE** or equivalency of hours worked.

Note: Course credit hours are available on the [Registrar site](#).

Payroll Start Dates

- Start date for fall semester = August 1
- Start date for spring semester = January 1
- Start date for first summer session (four week) = May 1
- Start date for second summer session (eight week) = June 1

Note: By utilizing the beginning of the month for start dates, employees eligible for health insurance coverage mandated by the Affordable Care Act (if elected by the employee) will have coverage for the entire month beginning with the start date.

Separation and Summer Leave Actions

- If a PTI is hired for the fall semester and will not return for the spring semester, a [separation action](#) for the employee shall be completed using a separation date of January 1.
- If a PTI is hired for the spring semester and will not work as a PTI in the summer or fall semesters, a [separation action](#) shall be completed using a separation date of June 1.

QRG – Part Time Instructors SAP Entry

- For a PTI who teaches in the summer but does not return for fall; a [separation action](#) shall be completed using a separation date of June 1 (four week session); or August 1 (eight week session).
- For PTI’s who are employed for both fall and spring semesters in classes that have a predictability for reoccurrence, but do not teach in the summer sessions (June/July), then a [summer leave action](#) shall be completed for June and July.

Note: The summer leave status will allow health insurance coverage continuance for the employee. The benefit cost the employer incurs for summer premiums will be covered by the associated department(s). The employee contribution of the summer premiums will be incurred in the August paycheck.
