#### **Guest Speakers**

New Employee Orientation Module – Natalie Lindgren – On 7/1/19, the new employee orientation became an online module in myUK Learning with many advantages over the 4-hour classroom orientation for new employees. There are six sessions of the orientation module. This training is to be taken during paid working hours. Employees must take the training within the first 30 days of employment. Supervisors can check the status of employees' orientation progress at any time. Timely entry of the new employee's entry into SAP and the activation of the employee's email account is very critical. The slide presentation is attached as a handout. Also, there is a new Staff Handbook that can be accessed at https://www.uky.edu/hr/staff-handbook/.

#### 1. Research & Grants

- a. FCG Project Expirations Units are urged to maintain a list of Federal Capacity Grant project expiration dates and to send reminders to project managers about upcoming expiration dates. Some of the project dates can be extended, but the extension request must be submitted in advance of the project's ending date.
- b. CAS Review The Business Center analysts regularly send out CAS items that need to be removed or reclassified because they are unallowable expenses on federal capacity grants. Please review these CAS items and work with your analyst to take appropriate action as needed. This relates to 235\* FCGs as well as the state matching 10125\* cost objects.

#### 2. Procurement & Travel

- a. Travel 60-Day Report Tina Ward distributed a handout that is attached to these notes regarding Trips that are submitted past the 60-day deadline. This handout includes many reports to help get the details of trip reimbursements that have been taxed because they weren't submitted within the 60 day time frame. If the 60-day taxation form is completed, travelers should make a copy of their Trip because once it is rejected the details of the Trip will no longer be available, except by contacting Travel Services.
- b. Subject Matter Expert Training Purchasing (COMING SOON!) In response to multiple requests to hold a Purchasing training overview, the Business Center will schedule an SME session for Purchasing training in the near future. If staff have topics they would like to have covered or experts they would like to have present a topic, please send an email to the Business Center.

#### 3. HR & Payroll

- a. Visiting Scholar vs Visiting Student The Provost has increased oversight on the HR employee category distinction between visiting scholars and visiting students. Visiting scholars are appointed one year at a time, for a maximum of 2 years. Visiting students must be enrolled and working on a degree at another university. There are two separate approval forms for both groups of employees and these can be found on our college web site for the Office of Associate Dean for Faculty Resources, Planning & Assessment. The two forms are attached as handouts. If questions, contact Megan Lucy in the Associate Dean's office. Please note that the SAP position title must align with the title on the form, and the approved form <u>must be attached to the ZPAR or Workflow</u>. A Visiting Student position title was recently created. Department specific position numbers were distributed at the meeting and are searchable via PPOSE. If additional position numbers are needed, please submit a <u>Position Request Form</u>.
- b. eCRT Deadlines Confirmations for FY19 Q4 should be done between 8/13/19 and 8/31/19.
- c. Payroll Earliest Retro Date The biweekly retroactive date will reset on 8/20/19 to June 23, 2019, and the monthly retroactive date will reset on 8/27/19 to July 1, 2019. Please plan accordingly.
- d. Subject Matter Expert Training Series SPIN/ER Training This is an extremely helpful reporting tool for HR users. An SME training session on SPIN/ER training will be offered in October. Let the HR staff in the Business Center know if you have specific items you would like to see covered at this training session.
- e. MyUK App This is a new app that everyone is encouraged to download on their mobile devices. Employees can now access services from Employee Self Service and Manager Self Service through the myUK Mobile app. It enhances the employees' ability to enter time and leave requests and the supervisor's

\*\*NEXT MEETING: Tuesday – November 12, 2019, 9:00 am (Gorham Hall, Good Barn)\*\*

ability to approve requests directly from their cell phones. Employees can also view their pay statements and benefits election using the app.

- f. Supervisor Orientation When supervisors were recently surveyed, they unanimously responded with the request for more supervisory training within the college. They also indicated the need for quick reference guidelines and more resources/links on the college and Business Center web sites. Many may not realize that these resources are already on the Business Center web site and more are continually being added. A CAFE Supervisory Orientation is coming soon!
- g. Mentor Nominations The mentor program is growing, but more mentors are needed. The mentoring can be accomplished at whatever level is agreed upon between the mentor and the mentee. It is designed to last six months. The program is proving to be a two-way benefit for parties involved. If interested in participating in this program, contact Melissa Horton. A copy of the mentor nomination form is attached.

#### 4. Budget & Finance

- a. UBIT Reviews for Revenue Producing Activities Accounts The Unrelated Business Income Tax (UBIT) reviews by AFRS with our college will begin this fall (likely in September). We have not received the outline yet from AFRS for the review; but they will be looking at the purpose of all income (1013-) accounts to make sure that they are still supporting the activity for which they were initially intended and to insure that we are following all regulations relating to these revenue-producing accounts. The Business Center will provide more details to the units once more information is known.
- b. Commitments and Unit Budget Reviews Departmental administrative staff are urged to work with their department heads to determine if all of their commitments are on the Dean's list. Contact April Lyons if any of your commitments are not included on the list. Unit budgets should be reviewed carefully, and the business analysts should be made aware as soon as possible of any discrepancies.

#### 5. Other

- a. Business Officers' Council The college formed a new Business Officers' Council in March, and they now have a web site on the Business Center's home page. The purpose of the council is to provide a forum for discussing issues of importance concerning business related functions for the college. They meet on a quarterly basis. The chair of the council is Christine Tarne. Other members include Covetta Ramey, Deb Ramey, Katie McKinney, Monica Shuler, Cindy Stidham and Deb Mollett. Feel free to contact April Lyons or any member of the Council anytime.
- b. Business Analyst Leaving Tina Navis is leaving the Business Center to lead the Business Office in the College of Communications and Information Systems. Her last day with us is August 16. We would all like to thank Tina for her service to our college and we wish her well in her new UK position. (Tina's units are being temporarily reassigned to either Andrew Gehring or Scott Wells, and those units have all been notified of their interim anayst.)
- c. New Staff Introductions The following new staff were introduced at the meeting:
  - i. Erin DesNoyers Equine Programs
  - ii. Katie McKinney School of Human Environmental Sciences
  - iii. Sarah Habel Entomology
  - iv. Deb Mollett Equine Analytical Chemistry Lab (EACL), transferred from Vet Sciences
  - v. Barbara Stiefel Equine Analytical Chemistry Lab (EACL), transferred from North Farm
- d. Sign-In Sheet
- e. Relay meeting info to other departmental staff

**BREAK-OUT SESSION – Federal Fiscal Year End –** *Tina Navis presented the 2019 Federal Fiscal Year End Closing Schedule, which includes many helpful pages of information that units can use as a resource when closing out FFY19. Attached as a handout is the one-page closing schedule. The federal fiscal year ends September 30, 2019. Please review the list of deadlines carefully and contact your business analyst if you have questions. Here is the link to the entire presentation:*
